# Which Is This Car?

This car is white, which I am sure you must have identified by now. We drove it some time back. Your comments won't appear for sometime so make a guess and let us know which is the car above.

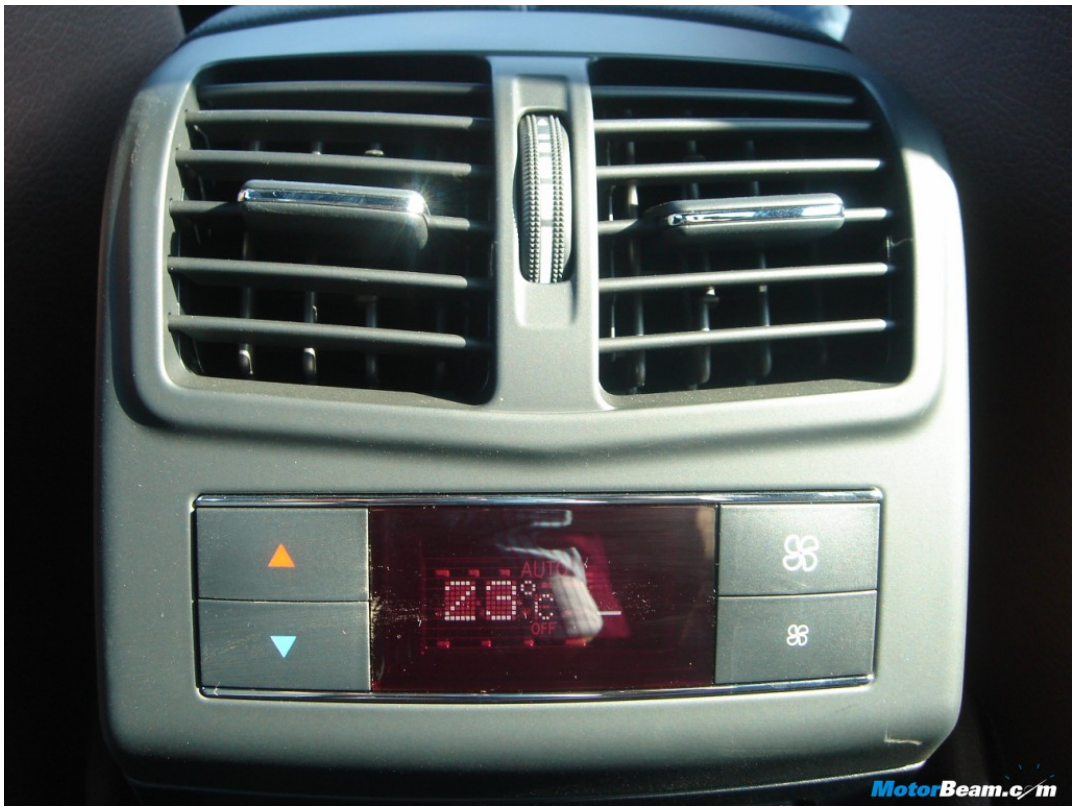

**Update 1 :-**

**Update 2 :-**

Update 3 :-

And the car is.....

Many of you were able to identify the car, Sidindica was the first one to answer it right.

You can also find this article published on [Which Is This Car?](#), and on the tag pages [Cars](#).
