Happy New Year 2010

We would like to wish all our readers a very happy and prosperous new year 2010. But that's not all. We would like to hear your new year resolution, obviously with respect to automobiles. Do you plan to purchase a new car/bike? Or perhaps learn to service your car on your own, including but not limited to changing of engine oil. Or maybe driving down to the highest motorable pass. Whatever it is, we would love to hear what you plan to do this year on wheels.
