Red Bull F1 Car At Sealink Pictures

Red Bull is leaving no stone unturned to promote its energy drink. First was the [Red Bull F1 car made of cans](#) and now Ex-F1 driver David Coulthard, who had come to [Bandra-Worli Sealink](#) to show Mumbaiers the pace of a Formula 1 car. He had promised to go flat out but the max he could do was 250kmph. Spectators went crazy when DC did donuts but unfortunately the car heated up and he stalled. Nevertheless it was a fantastic spectacle to hear the noise of a V10 Cosworth engine revving close to full chat.
