# Lamborghini's Annual Christmas Package

A [Lamborghini Gallardo LP560-4](#) is not the cheapest gift to buy this Christmas. Fret not because you can get cheaper stuff made by Lamborghini in the form of their Annual Christmas Gift Collection.

Continuing the matte-black theme of the new Gallardo LP560-4, Lamborghini's Christmas box-set of three baubles in lightweight ceramic is available with one Nero Noctis black and two Mono Cerus white in each box. Also in the box is one black, one white, slow-burning candles are and the 13-inch Lamborghini shield-embroidered cushions. There is also a Lamborghini polar bear for the youngest Lamborghini fan in the family.

Lamborghini also sells a range of calendars, Christmas cards, pens, pencils, luggage, caps and T-shirts through its Collezione Automobili Lamborghini package.
